Dear Parents/Carers

Outdoor activities and local visits

As you know whenever children go on a class visit you are given information about the visit and for asked for permission. However, children also have the opportunity throughout the year to take walks and visits to look at aspects of our local environment. This is done in various subjects such as history, geography art etc.

Rather than request your permission for each of these visits, we ask you complete and return the attached slip and give overall approval for your child to participate in the walks and visits to look at aspects of our local environment. We will inform you of visits in advance.

Yours sincerely

Mrs Jodie Short (TLR in Educational Visits)

I give Permission **Yes/ No** for my child _____ to participate in walks and visits to look at aspects of our local environment.
