Dear Parents and carers,

As a school, we offer the children a wide range of experiences throughout the year, and we are very proud of the progress they make from Nursery to Year 6. As a means of sharing these experiences with parents, carers and the wider community, we strive to keep our social media sites updated as regularly as possible, and this often involves uploading pictures of activities the children have taken part in.

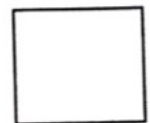

Keeping our pupils safe is paramount, so the children's names will never be displayed in any of our posts. If you **DO NOT** give permission for images of your child to appear on the **school website, school app, Marvellous Me, Twitter or Facebook** please return the slip below. However, if you are happy for your child's achievements to be celebrated on our social media accounts, then you do not need to respond to this letter.

If you have any questions regarding this, please speak to your child's teacher.

Thank you for your continued support.

Miss L Davies
